【4】 次の英文を読み、(17)～(25)の問いに対する答えとして最も適切なものを、それぞれ下の①～④の中から一つずつ選びなさい。

1           There are many successful and wealthy businessmen in Japan. However, Yusaku  
2           Maezawa might be one of the most interesting. He has been successful in business, but  
3           he also (            ) a lot of effort and money into things he loves.

4           Maezawa has had an unusual path to success. When he was young, he enjoyed  
5           skateboarding and music. He started a rock band in 1993 while in high school. After  
6           graduating, he spent six months in California, and was very impressed by the fashion,  
7           music, art, and culture that he experienced there. When he returned to Japan in 1995,  
8           he continued playing drums in the band. In 1998, he began a business called Start  
9           Today. At first, the company sold music albums. However, it soon began selling clothing  
10          and fashion apparel. In 2001, he left the band to focus on his company.

11          In 2004, Maezawa's company made the popular shopping website Zozotown. The  
12          business was a huge success in Japan and made him a billionaire. He has used his money  
13          to collect things that interest him, such as wine and watches. (■ 1) Collecting art is  
14          one of his biggest passions. (■ 2) It is an expensive hobby; in 2017, he spent \$110.5  
15          million on a famous painting. (■ 3) In the future, he plans to open a museum.  
16          (■ 4)

17          Maezawa makes bold decisions to follow his dreams. In 2018, he announced that he  
18          would visit the moon in 2023. He plans to make the journey on a new rocket and invite  
19          artists to join him. If his plan succeeds, he will be the first person to travel to the moon  
20          as a tourist.

21          Yusaku Maezawa is not a typical Japanese businessman. He turned his interest in  
22          music and fashion into a successful company. He is not (            ) of taking risks to  
23          follow his dreams. Who would have thought that a drummer in a rock band might one  
24          day travel to the moon?
