4 celebrated in other Latin American countries, and cities with large Latino populations,

6 The Day of the Dead comes from a mix of cultures. Native Mexican people have
7 honored the dead for over 3000 years. They would leave food and water for the spirits
8 of dead family members during the summer. Across the ocean in Spain, a similar holiday
9 called All Souls Day was celebrated. People would offer bread and wine to departed
10 family members in the autumn. When Spanish people reached Mexico in the 16th
11 century, the two traditions combined to become the Day of the Dead.

12 Some people () that the Day of the Dead is like the Japanese holiday

14 In both countries, families clean the graves of their ancestors and leave flowers or food
15 for them on *altars in their homes. (■ 2) On the other hand, some Day of the Dead
16 traditions are very different from the Japanese *Obon* holiday. (■ 3) During the Day of
17 the Dead, people often dress up in fancy costumes and wear make-up to look like
18 skeletons. (■ 4)

19 Today, the Day of the Dead has become a tourist attraction, and UNESCO made it a
20 cultural World Heritage in 2003. If you visit Mexico during this holiday, you can watch
21 parades and shop for souvenirs decorated with skulls. Some local families even invite
22 tourists to join in their home celebrations. However, tourists are advised to be respectful
